- Limited Lifetime Warranty[‡]* for as long as you own your home
- 177/209** KM/H / 110/130 MPH Wind Resistance Limited Warranty*
- StreakGuard™ Protection with a 10-year Algae Resistance Limited Warranty.*

Home sweet home.

Home is where you want to feel the most comfortable and protected. It can be a source of pride and an expression of your personality. But when the time comes to purchase a new roof, it's easy to feel overwhelmed. Don't worry. Owens Corning Roofing and your contractor are here to help. We'll make it easy for you to select the right shingle for your type of home and sense of style. You can feel confident about choosing our roofing products — Owens Corning has been a recognized leader in the building industry for over 75 years.

By choosing Woodcrest® AR and Woodmoor® AR Shingles, you can transform your entire home with a natural, wood-shake look that will last for years to come. This is your chance to choose a roof that not only has outstanding performance and protection, but also provides exceptional beauty and comfort. So you'll feel right at home every time you pull in the driveway.

Protected. Proud. Home.

TOTAL PROTECTION. TOTAL CONFIDENCE.™

The most important part of the roof?
All of them.

It takes more than just shingles to protect a home. It takes an integrated system of components and layers designed to withstand the forces of nature outside while controlling temperature and humidity inside. The Owens Corning® Total Protection Roofing System® gives your customers the assurance that all of their Owens Corning® roofing components are working together to help increase the performance of the roof – and to enhance the comfort and enjoyment of those who live beneath it.

** 209 KM/H / 130 MPH is applicable only with 6 nail application in accordance with installation instructions.

† Owens Corning Roofing strives to accurately reproduce photographs of shingles. Due to manufacturing variances, the limitations of the printing process and the variations in natural lighting, actual shingle colours and granule blends may vary from the photo. The pitch of your roof can also impact how a shingle looks on your home. We suggest that you view a roofing display or several shingles to get a better idea of the actual colour. To accurately judge your shingle and colour choice, we recommend that you view it on an actual roof with a pitch similar to your own roof prior to making your final selection. Colour availability subject to change without notice. Ask your professional roofing contractor for samples of colours available in your area.

‡ 40-Year Limited Warranty on commercial projects.

International Code Council Evaluation Services Acceptance Criteria for Alternative Asphalt Shingles.

Underwriters Laboratories Evaluation Services Evaluation Report.

^ Excludes non-Owens Corning® roofing products such as flashing, fasteners, pipe boots and wood decking.

Shingles are algae resistant to help control the growth of algae and discoloration.
